

Material Sense Waydescription

Gen. Bothastraat 5k, 5642 NJ Eindhoven, 00 31 (0)40 2812000

By car:

Follow the A2 direction Eindhoven,

Then follow direction "Helmond" (= A50)

After the A50, again direction Eindhoven, Helmond, Tongelre (= A58)

At the end of this road (you've passed Ikea on your left hand side) you will enter the "Kennedylaan" (70 km. Road).

Follow this road up to the traffic light, where you will go to the left, this is the "Rondweg Eindhoven".

You will follow this ring road, pass all the traffic lights, up to the roundabout, where you go straight ahead.

After the roundabout, you directly pass two tunnels; turn left directly after these tunnels.

This is "Tongelresestraat".

Follow this street up to the railway passage. Before the railway passage you turn to the right (you will see a little oil station) this is the "Gen. Bothastraat".

Around 50 m on the left hand side you will see a Music store and our industrial building.

Pass directly between the music store and the red Block. (You will see a fence that is open during the day) and drive to almost the end of the building. Here you will find 5 K.

By public transport: train and bus

If you leave the train station, go to the right side where you will find the bus station.

Take **bus 55 to "Het Hofke"** and step off at **Gen. Bothastraat**. Walk in the direction of the bus, and turn to the right, where you will see a little oil station. This is the Gen. Bothastraat.

Around 50 m on your left hand side you will find a music store (Feedback) and our industrial building.

Pass directly between the Music store and the red Block of this building. You will see a fence (that is open) and drive to almost to the end of the building, where you'll find our place at 5 K.

train and bike

We also have "OV fiets" at Eindhoven station. At the front side (=left side entrance from the train) at Stationsplein 1.

At the outer side of the building at the left corner, you will find the rent a bike.

Follow the Stationsplein to the left, that becomes "Fuutlaan". Follow this road (all the way in parallel with the rails) up to the cross with a flower corner and the oil station at the right side. Pass this cross, to the road Gen. Bothastraat. Follow the description as written above.
